Graduates of Central High Class of 1965, Welcome to our Tenth Year Reunion. Ten summers ago we left the halls of C.H.S., and now a decade later, we gather together to recall that memorable time. This August weekend we have the opportunity to renew longstanding friendships and stir up nostalgic memories.

The Class Reunion Booklet Committee thanks the class members for their assistance in compiling the information contained in these pages. We have done our best to record as accurately as possible all of the biographical data submitted by the May 15th deadline.

To all Class Members who were not able to attend, we wish to say that we missed you and hope that you enjoy the booklet. For everyone else, it is our desire that the booklet serve as your guide for the Reunion weekend.

The 1965 Class Reunion Committee

In addition to these fond wishes we would also at this time like to acknowledge all who have worked diligently to make this Reunion a happy and enjoyable occasion.
